## **DETAILED ACTION**

### ***Allowable Subject Matter***

Claims 1-4, 6-20, and 22-29 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art of record fails to disclose or render obvious the claimed method or apparatus for communicating with a customer service representative, including the claimed steps of storing a product ID at an apparatus, automatically retrieving the product ID in response to a user request and then using that ID to automatically route the request to an appropriate remote communication device. These limitations appear explicitly or implicitly in all of the independent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
